

Terms of utilization for the Internet use

The town library Heimsheim provides against fee a public Internet access which can be used according to the educational order and order of information of the library.

Registration / reservation:

1. Persons are access-entitled from 18 years on only after previous registration and recognition of the terms of utilization. The use is possible from 6 years on. Persons under age need, in addition, the written consent explanation of their guardians. During the use you have to deposit your library- or your identity card.
2. Before using the Internet access a registration in the reservation list is required. Reservations can be made personally or by telephone with the town library (07033 / 137090) during business hours and can be made up to 14 days in advance. In case you cannot keep an arranged appointment, you should cancel it at least 2 days before, otherwise a fee is charged for the cancelled appointment. After 15 minutes reserved appointments will be given to somebody else if the registered user does not appear on time. The library reserves itself the right to limit the times of utilization.

Fees:

1. The on-line fees amount currently to 0,25 € per 15 minutes. The time of utilization can be extended arbitrarily, provided that no other reservations are made. Booked but not used time units have to be paid.
2. The mailing and reading of e-mails is permitted only about third supplier. To effect orders is prohibited.
3. Printings are possible: 0,10 € per side

Liability

1. Information / addresses of violence-glorifying, pornographic and/or racist contents may not be called, stored or be printed out. Suitable precautions have been taken and may not be avoided. (Called websites are in regard to calling sequences and URL recorded.), in addition, a "visual inspection" takes place by the library staff.
2. The town library is not responsible for contents, availability and quality of offers by a third party which are called up on the provided access. In addition, the library does not take over the responsibility for the speed and the realization of connections in the Internet.
3. Changes in the system and network configuration of the server and PC are not permitted. In case of damages the library reserves itself a right to claim for damages and legal measures
4. Downloading of software is made on own risk. Downloading of standard software and operating systems is not permitted.
5. The library is not liable for damages which the user causes by abusive use of the Internet towards third parties. For the rest, the liability of the library is limited to deliberate actions and gross negligence.
6. Offenses against the rules are covered with access bans.
